Summary

I'm a Computer Science Technology student at Vanier College, actively seeking part-time opportunities. I'm passionate about software engineering and plan to pursue a degree in Software Engineering at Concordia or McGill University after graduation.

Experience

Cashier

Chez Giovanni

Sep 2023 - Present (1 month)

At Giovanni, I pride myself on providing exceptional service to our valued customers. As a dedicated member of the team, my role encompasses a variety of responsibilities, all aimed at ensuring a delicious dining experience for our guests.

Stocker

Intermarché

May 2020 - Jul 2020 (3 months)

I worked in the produce section, where I was responsible for restocking fresh produce and quickly replacing any spoiled items. Additionally, I handled the packaging of peanuts and various types of vegetables before displaying them.

Dishwasher Machine Operator

Giulietta Pizzeria Napoletana

May 2022 - Jul 2022 (3 months)

I worked as a dishwasher, responsible for cleaning all plates, utensils and cups using an industrial dishwasher. Occasionally, I also helped the chefs in meal preparation.

Mechanical Assembler

EuroGear

Jun 2022 - Jul 2023 (1 year 2 months)

At Eurogear, I held the position of disassembling and assembling crucial rollers, employing a diverse range of mechanical engineering techniques and using advanced power tools. This complex process required great attention to detail and a thorough understanding of mechanical systems. By disassembling and reassembling the rollers, I contributed to their efficient operation and extended their service life, ensuring smooth production processes in various industries.

Usher

Cinéma Guzzo

Oct 2021 - Jun 2023 (1 year 9 months)

I previously worked as a movie theater usher, where my duties included seating patrons, ensuring cleanliness after the screening, and occasionally handling concessions including drinks and popcorn.

Education

Vanier College

DEC, Computer Science

2023 - 2026

I am currently pursuing a comprehensive computer technology program at Vanier College, where I am acquiring a solid foundation in programming, software development and computer systems. My studies encompass a wide range of subjects, equipping me with the essential skills and knowledge needed to excel in the dynamic field of technology.

Licenses & Certifications
